Visitors

Burt Hooper addressed the board on behalf of the Dyer Station Celebration Committee. He asked if the board could discuss its plans for the Dyer Station Building (the former Presbyterian Church Manse). Mayor Younger said that, presently, the city planned to fix some shingles, paint inside, and make certain the basement stays dry. After these basic maintenance tasks, the city is still unsure what it plans to do – the front room will remain empty and the city will consult with Dyer Station to see how much room they need for storing its supplies. Mayor Younger said that if there is a public use for the building, the Dyer Station rooms would be secured with a lock. "We're going to work with you to make sure you've got the space you need in the way you need it," said Mayor Younger.

Mayor's Report

Mayor Younger distributed a form to aldermen on which they can record concerns or observations around the city. This form will be submitted to City Hall. The submitter will get a response.

Department Reports

Dyer Fire Chief Ryan Shanklin reported that the city is still in the running for the fire prevention grant, but that all other grants had been denied. Shanklin also asked the board to hire and appoint Ladarius Osler and Devan (Boo) Zimmerman as firefighters. He also reminded the board about the fish fry fundraiser on Saturday night beginning at 5:00. Motion made by Craig Blackburn, seconded by Fred Ivie to hire and appoint Ladarius Osler and Devan Zimmerman as firefighters. Motion carried with all ayes.
