#### **Mayor's Report**

Mayor Younger provided updates to the board concerning local executive orders 2020-003 and 2020-004 which provided that utility services would not be disconnected for non-payment and that in order to provide for continued operations in the event of infection, a portion of public works employees would be placed on standby, alternating each week for the foreseeable future.

#### **Department Reports**

The City Recorder reported that no purchase orders had been issued under the provisions of Resolution 2020-331 (Continuity of Operations).

#### **New Business**

Motion made by Ray Carroll, seconded by Bob Moore to approve plans and funding for the Tennessee Department of Transportation project on rail crossing improvements at Parkview and College Streets. The local match is approximately \$5,350.00. Motion carried with all ayes.

Alderman Bob Moore expressed concerns about some potholes and storm drains that are deteriorating on College Street and Main Street. He also asked about patching with asphalt and concrete on the east side of the fire station where utility work was done. Captain Shanklin said he would get measurements for those areas.

Motion made by Fred Ivie, seconded by Craig Blackburn to pay the accounts. Motion carried with all ayes.

Motion made by Michael Barron, seconded by Fred Ivie to adjourn. Motion carried with all ayes.
